Dear Michał Tuczapski,

I am pleased to invite you to participate in the 2026 high-level political forum on sustainable development (HLPF), convened under the auspices of the Economic and Social Council (ECOSOC), as well as the 2026 ECOSOC high-level segment, to be held at United Nations Headquarters in New York. The HLPF will take place from 7 to 15 July 2026. Its ministerial segment, scheduled from 13 to 15 July, will be held jointly with the ECOSOC high-level segment, which will conclude on 16 July 2026.

The HLPF is the primary United Nations intergovernmental platform for reviewing progress towards the 2030 Agenda for Sustainable Development and its 17 Sustainable Development Goals (SDGs). This year's Forum, held under the theme "*Transformative, equitable, innovative and coordinated actions for the 2030 Agenda for Sustainable Development and its Sustainable Development Goals (SDGs) for a sustainable future for all*", will convene ministers and high-level representative of Member States, alongside a broad cross-section of participants from the United Nations system and stakeholders, including civil society and the private sector. Discussions will focus on policies and actions to accelerate implementation of the 2030 Agenda and its SDGs.

The HLPF will conduct in-depth reviews of SDG 6 (clean water and sanitation), SDG 7 (affordable and clean energy), SDG 9 (industry, innovation and infrastructure), SDG 11 (sustainable cities and communities), and SDG 17 (partnerships for the Goals), considering their integrated, indivisible and interlinked nature.

Thirty-six countries will present Voluntary National Reviews (VNRs) of their national implementation of the 2030 Agenda and its SDGs.

All documentation will be made available at: <https://hlpf.un.org/2026>.

I look forward to your valuable participation in the 2026 HLPF and the high-level segment of ECOSOC.

Yours sincerely,
